

Howler and
Blanket Master
in

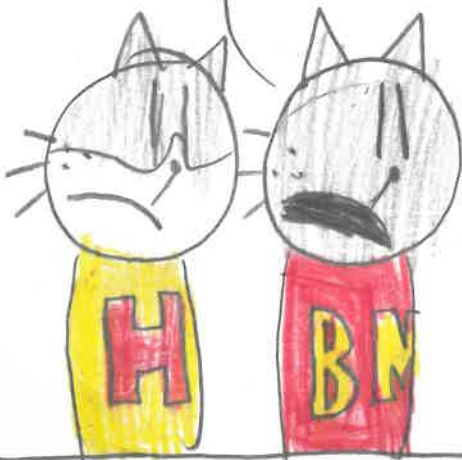

SHADOW
THE HEDGEHOG

One day the black
Comet landed on earth
and the black arms are
attacking...

Why are you
here?

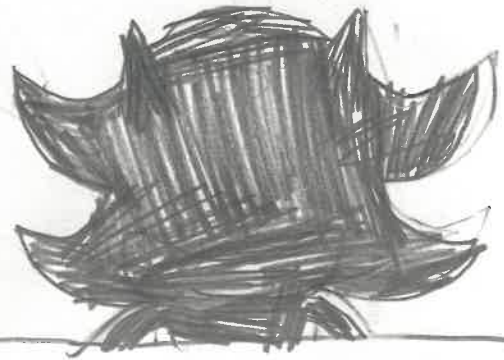

I'm here because of
Black Doom!

50 years ago Black Doom gave professor Gerald Robotnik a sample of his DNA.

It was to produce an agent, a master of Chaos Control!

Does that mean...

...that Shadow has Black Doom's DNA?!
