me a base-

made my book.

When I was done with  
all that my stomach  
rumbled like a  
lion roaring after a  
big lunch, so I went  
home (good thing it was  
already time to  
go). I was back  
on land an.....  
What is that?

Is... is that a..... Ice cream stand!?

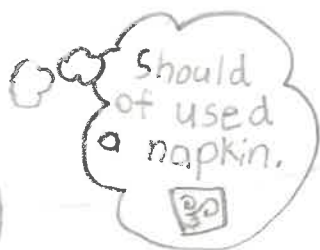

Alright!

1 minute later.....

Nom, nom, nom. I was so hungry I ate it in seconds (I also changed).

That's better. Oh, I think your wondering were my 2 brothers are. They are well. Their swimming. It is a hot day (These cats love water).

Ding, dong! The doorbell rang.
